FINISHED MEASUREMENT

Chick stands approx 9in/23cm tall.

YOU WILL NEED

Yarn available at [lovecrafts.com](https://www.lovecrafts.com)

- 1¾oz/50g balls of Paintbox Yarns Cotton Aran:
 - 3 balls in Daffodil Yellow (A)
 - 1 ball in Blood Orange (B)
- US 7 (4.5mm) crochet hook
- ½in/12mm safety eyes (see pattern notes)
- Toy stuffing
- Scissors
- Yarn needle

GAUGE (TENSION)

17 sts and 19 rows to a 4in/10cm square using US 7 (4.5mm) crochet hook or size required to obtain gauge (*tension*).

When making a toy such as this, it is not essential to work to the exact gauge (*tension*). If your gauge (*tension*) is tight, with more stitches and rows than stated, your toy will be smaller. If your gauge (*tension*) is loose, with less stitches and rows than stated, your toy will be larger. However, if your gauge (*tension*) is too loose, the toy filling will show through the crochet and spoil the look of the finished item.

PATTERN NOTES

Work in rounds. Start each round with 1ch and end with 1 sl st in first chain.

Warning: Safety eyes are a choking hazard and not suitable for children under the age of 36 months.

GOOD TO KNOW

- Paintbox Yarns cannot accept responsibility for the finished item if any yarn other than the recommended yarn is used.
- Yarn quantities are based on average requirements and are therefore approximate.
- Color reproduction is as close as color accuracy on screens.
- Instructions are written using US terminology with UK terminology given in italics in round brackets () afterwards.
- Repeat figures in square brackets [] the number of times stated afterwards.
